Functions

There are more than 250 pieces of legislation that affect local government.

General Functions: *Section 3.1 of the Local Government Act 1995.*

The general function of a local government is to provide for the good government of people living and working within its district.

Legislative Functions: *Section 3.5 of the Local Government Act 1995.*

A local government may make local laws that are necessary or convenient for it to perform any of its functions.

Executive Functions: *Section 3.18 of the Local Government Act 1995*

A local government is to administer its local laws and may do all other things that are necessary or convenient to be done for, or in connection with, performing its functions.

Plan for the Future (s.5.56 of the Local Government Act 1995)

The Council Plan 2023-2033 is available on the Council’s website under “Shire Projects” at the following link: <https://www.toodyay.wa.gov.au/council/shire-projects/plan-for-the-future-2023-2033.aspx>

This plan describes the vision, purpose and values of the Shire in its response to community objectives contained in the plan.

The plan details the supporting strategies that will be used to deliver on the actions and objectives contained in the plan, some of which are on the website as follows:

Ways in which the functions (including, in particular, the decision-making functions) of the agency affect members of the public (s.94(b))

Impact on the Public

The agency's functions, particularly decision-making and governance processes, impact members of the public in various ways:

- **Policy Implementation:** Directly affects the daily lives and activities of the community.
- **Regulatory Decisions:** Impose obligations or provide benefits to individuals and businesses.
- **Service Provision:** Delivers essential services that cater to public needs such as the library services mentioned below.

Library Facilities available for use by members of the public (s.94(e))

The Shire's Public Library Service is part of a state-wide network that operates between local government authorities and the Library Information Service of Western Australia.

Information about the Shire of Toodyay Library is available at the link below:

<https://toodyay.spydus.com/cgi-bin/spydus.exe/MSGTRN/WPAC/HOME>

Opening hours are available on the Shire's website:

<https://www.toodyay.wa.gov.au/contact-the-shire.aspx>

Morangup Community Library

Morangup Community Library is Toodyay Public Library's part-time branch. If you live outside Toodyay and don't want to take a trip into town, you can head over to the Morangup Community Centre which stocks over a thousand items to browse and borrow. Regular Toodyay patrons may also borrow, return or renew items at Morangup.

Council Meetings

The intent of Council Meetings is to provide a means for Council to make decisions that will affect the community as a whole, or individual members of the community dependent upon the type of decision being made.

The nature of Council's interest in making a decision will be one of the following:

- Advocacy:** when Council advocates on its own behalf or on behalf of its community to another level of government body/agency;
- Executive:** the substantial direction setting and oversight role of Council (e.g. adopting plans and reports, accepting tenders, directing operations, setting and amending budgets);
- Legislative:** adopting local laws, local planning schemes and policies;
- Review:** Council reviews decisions made by officers; or
- Quasi-Judicial:** when Council determines an application/matter directly affecting a person's right and interests. The judicial character arises from the obligation to abide by principles of natural justice. Examples of quasi-judicial authority include local planning applications, building licences, applications for other permits/licences (e.g. under Health Act, Dog Act or Local Laws) and other decisions that may be appealable to the State Administrative Tribunal.

Ordinary Council Meetings are held February to December, commencing at 1.00pm.

Agenda Briefings are held one week prior to an Ordinary Council Meeting, commencing at 3.00pm

Special Council Meetings are called from time to time by the Shire President to consider matters which arise.

The Shire President presides at Council Meetings pursuant to the Act, and the *Local Government (Administration) Regulations 1996*. The CEO and the Executive Managers attend Council meetings to provide advice or any other information Councillors may seek but cannot vote or participate in debate.

Agendas are available for public inspection, at least 72 hours prior to the commencement of the meeting, from the Shire's Administration Offices (between 8.30am and 4.30pm). Please contact our office on (08) 9574 9300 if you require a copy as there are limited copies that are provided for the public gallery on the day of the meeting.

A schedule is adopted by Council and available on the Shire's website here:

<https://www.toodyay.wa.gov.au/council-meetings/>

Council Meeting Minutes

Minutes are available 14 days after Council Meetings, and 7 days after Committee Meetings pursuant to r.13 of the *Local Government (Administration) Regulations 1996*. Minutes are 'unconfirmed' until the next meeting where they are 'confirmed' subject to any amendments made by Council or Committee (as the case may be). The confirmed minutes, including relevant attachments, are made available once signed by the Presiding Person.

Opportunities for members of the public to participate (s.94(c))

A member of the public can write to the Council on any policy, activity, function or service of the Council on-line using the link on the Shire's website: <http://www.toodyay.wa.gov.au/Council/Have-your-say>

Telephone: (08) 9574 9300

Members of the public can also participate in the agency's policy formulation and performance through:

Public Consultations

Public comment periods are a common consultation method employed by the Shire on a range of Council proposals and functions. A public comment period ensures that those affected by a Council decision have a genuine opportunity to be informed of, and provide input into, the decision-making process.

Public comment periods are undertaken in accordance with [Council's Community Consultation and Engagement Policy](#).

Effective Public Comment(s) should:

- Clearly state an opinion and reasons for or against the proposal or sections thereof;
- Propose how concerns might be addressed by outlining suggestions for resolving a problem or issue (if possible);
- List any references or provide evidence, relevant material, or specific examples to help demonstrate views or suggestions,
- Include the section, recommendation and page number of the proposal to which comments refer (if relevant),
- Be concise, whilst also numbering issues to be addressed, where there is more than one.

Public submission guides are available on the Shire website: <https://www.toodyay.wa.gov.au/council/council-meetings-committees/submissions-deputations-and-public-questions.aspx>

Council Meeting Attendance – Question time, Submissions and Deputations.

Meeting Procedures provide for the safe custody and use of the common seal and for the orderly conduct of Council and Committee meeting (and debating) procedures, as well as prescribing ways in which members of the public can contribute to the meeting.

Council meetings afford members of the public the opportunity to ask questions and receive responses from either the Elected Members or the Shire Officers through public question time pursuant to the *Local Government Act 1995*, *Local Government (Administration) Regulations 1996* and the Shire's Meeting Procedures.

Submissions

Items out for public comment are advertised in the Toodyay Herald. Notices are displayed on the notice board at the Toodyay Library and Administration Centre as well as being published on the [Shire of Toodyay's website](http://www.toodyay.wa.gov.au) at www.toodyay.wa.gov.au.

Submitters must submit their comments by the advertised closing date, so that their comments can be considered.

Consideration of Submissions

All submissions received are summarised in a schedule of submissions for consideration by Council. This consideration may result in the proposal being modified to address the issues; approved without modification; or refused.

Submissions received may be included in Council's Agenda and made available to the general public. Public access to the submissions will also be permitted under the *Local Government Act 1995* or the *Freedom of Information Act 1992*.

Once a decision has been made on the relevant matter the responsible officer will write to all submitters advising of the outcome.

Petitions

The Shire's meeting procedures prescribe the manner in which formal petitions are to be accepted by Council from members of the Community.

Petitions to Council are to:

- be addressed to the Shire President and Councillors;
- be made by electors of the district;
- contain a concise statement of facts and the action sought on the front page of the petition;
- contain the names, addresses and signatures of the elector(s) making the request, and the date each elector signed; and
- state the name and address of the person who arranged the petition for correspondence to be delivered to, as correspondence is not sent to all the signatures on the petition.

A Councillor will present and read out the petition and, if necessary, request that it be referred for an Officer's report.

If a petition does not relate to or conform to the above it may be treated as an 'informal' petition and the CEO may, at their discretion, forward the petition to Council accompanied by an officer report.

Deputations to Council

A person or group wishing to be received by Council at an Agenda Briefing, as a deputation, must submit an application to the CEO for approval 2 working days before an Agenda Briefing. The deputation must provide a general understanding of the deputation's purpose.

A deputation submission, when invited to attend a Council Agenda Briefing:

- is not to exceed three persons;
- may address the meeting for 5 minutes if only one person speaks, unless the time is extended by the Presiding Member at the meeting; and
- may respond to questions from Members with the approval of, and through the chair of the Presiding Member.

For the purpose of determining who may address the Council on an issue, people either in favour of or opposed to an item for consideration are deemed to comprise a single deputation. The Shire's meeting procedures provide for the procedure of how these kinds of submissions are managed.

Any matter which is the subject of a deputation will not be decided by Council until the Ordinary Council Meeting.

Community Meetings

Where the Shire requires buy-in from the community in regard to its projects, and in accordance with the Shire policy on Community Consultation and engagement, Shire Officers may schedule forums and community meetings when stakeholder consultation is required.

Advisory Committees:

The Shire recognises the value of community input and is continually looking for ways to engage more deeply with the community, including ensuring that community representatives are appointed by Council onto Advisory Committees.

The Shire's Committee Book provides detail of each committee and the representation of Councillors on external committees. This book is available online: <https://www.toodyay.wa.gov.au/documents/461/committee-book>

Surveys and Feedback Mechanisms:

From time to time, the Shire will develop community surveys and deliver them out to the general public for a period of time to gauge sentiment in the community in regard to various matters.

Notifications / Advertising

Residents may be notified of issues by advertising through the Public Comment section of the Shire's website, or in the Toodyay Herald newspaper, or in writing to ratepayer's addresses. Residents and ratepayers have the opportunity to write to the Shire expressing their views.

Works Requests and Feedback Forms

The community can use the [Contact Us](#) link on the Shire's website to contact the Shire in order to:

- Request works by lodging a works request, or report an issue; or
- Changing your details;
- Provide feedback to the Shire; or
- Update details in the community directory.

Procedure for amending personal information (s.94(g))

Where members of the public wish to amend personal information contained in the documents of the agency they are instructed to make these amendments through submitting a "Change your Details" form which is attached.

The form can be completed and provided to the Records Management Officer of the Shire using the methods detailed below:

Mail: PO Box 96 Toodyay WA 6566

E-Mail: records@toodyay.wa.gov.au

In Person: 'Old Courthouse Building,' 15 Fiennes Street, Toodyay

Note: Changes can also be completed on-line using the link below:

<https://www.toodyay.wa.gov.au/resident-services/contact-us/change-your-details.aspx>

When submitting the change of details on-line certified copies of documentation confirming these changes (i.e. Marriage Certificate) are required to be submitted with the application to change personal details prior to them being processed. If not provided the applicant will be contacted by the Records Management Officer.

The Records Management Officer will record all the "Change your Details" forms as they come in. The details are then changed on the system and provided to the relevant officers of whichever departments that the change will affect.

Documents held by the agency (s.94(d))

The Shire is required to have available certain types of documents pursuant to Section 5.94 of the *Local Government Act 1995*. Section 5.96A also regulates the type of information that the Shire is required to have on-line.

If a person attends the Shire Office during office hours they can inspect, free of charge the documents in the form or medium in which it is held by the local government, whether it is or is not current at the time of inspection, unless it would be contrary to section 5.95.

The types of documents that are able to be obtained free of charge are the documents that are published on-line which are detailed in the table below. If these on-line documents are provided as a hardcopy they will incur a printing cost as per the Shire's "Schedule of Fees and Charges" document.

Freedom of Information Procedures and Access Arrangements

The Shire's aim is to make information available promptly and at the least possible cost, and whenever possible documents will be provided outside the FOI process.

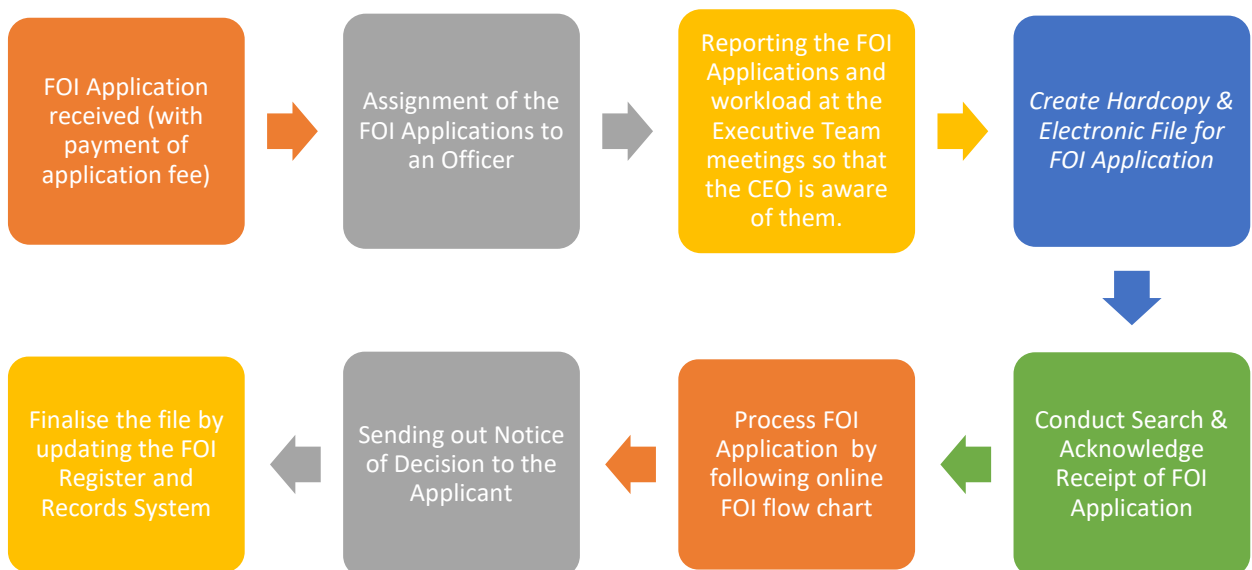

When a person requests information that is not contained in the table above and is not readily available pursuant to s.5.94 of the *Local Government Act 1995*, then access to documents other than those listed as accessible is outside the FOI Act and must be made via a Freedom of Information Application.

In these instances, a Shire Officer will provide a Freedom of Information Application (which complies with the requirement of Section 12 of the *FOI Act 1992*) to the person making the request with the advice that their request for documentation requires that an FOI Application be made as the documentation is not accessible outside of the *FOI Act 1992*.

The process followed by the Agency (s.94(i))

When an FOI Application is made it is recorded by the Records Management Officer and given an identification record number that can be referred to and used for any further related correspondence.

The following process is followed by the Agency:

Process FOI Application by following online FOI flow chart

Link for on-line chart here: <https://www.oic.wa.gov.au/en-au/FA001>

FOI Applications have to

- be in writing;
- give enough information so that the documents requested can be identified;
- give an Australian address to which notices can be sent; and
- be lodged at the agency with any application fee payable.

Access to documents

If information is not routinely available, the *Freedom of Information Act 1992* provides the right to apply for documents held by the agency and to enable the public to ensure that personal information in documents is accurate, complete, up-to-date and not misleading.

If an Officer of the Agency can provide the documents they will either be sent electronically via email; or printed and put into the post; or handed to a person making the request; whichever is the preferred option of the customer making the request.

Fees and charges

A scale of fees and charges have been set under Schedule 1 of the *Freedom of Information Regulations 1993*. The Shire's Schedule of Fees and Charges contains information about those charges.

Documents provided in hardcopy may be subject to a fee for photocopying/printing in accordance with the Shire's Schedule of Fees and Charges.

Note: *Dependent upon the type of document being requested this information will be contained in the Shire's Schedule of Fees and Charges which is contained within the Shire's Annual Budget.*

Notice of decision

The Shire will give applicants a written reason if applications are refused or applicants are only given partial access. Rights of review will be advised in the notice of decision.

The notice of decision should issue within 45 days of the date of lodgement of the FOI access application. The notice of decision will include details such as:
